WHAT TO PACK

Please try to bring soft 'hold-all' type luggage or rucksacks as suitcases and hard luggage are more difficult to pack into trailers and safari vehicles.

Comfortable neutral clothing, avoiding white and bright colours. Expect hot days and cooler mornings/evenings. A mixture of summer and winter clothing is ideal and a warm hat, jacket and gloves will keep you warm on night game drives when the wind chill factor in a moving open vehicle can make life a little chilly!

Other essentials include comfortable, durable walking shoes,
hat and sunscreen camera and binoculars, toiletries, insect repellent, hand sanitizer, etc.

BE AWARE THAT EAST AFRICA IS A MALARIA ZONE, PLEASE CONSULT YOUR DOCTOR OR TRAVEL CLINIC.

Important: don't forget to bring any prescription medication along with a broad-spectrum antibiotic, medication for nausea and stomach problems and anti-histamine cream for insect bites and scratches

Please provide details of any allergies and specific dietary requirements or preferences, e.g. vegetarian.
